Fluoride is available as a free online diamond (platinum) open access journal at <https://www.fluorideresearch.online> and <https://www.fluorideresearch.org> and the articles can be accessed by clicking on the links for the unique digital address (Digital object identifier [DOI] equivalent) below the title in the table of contents of each issue. Articles should be submitted using the template on the website, using only the portrait and not the landscape page orientation. Articles will be published and Epub on a rolling publication basis soon after they are accepted and subsequently be placed in an issue with year of publication, volume number, and issue number but not page numbers. Citations of papers should be by journal name, year of publication, volume number, issue number, E-publication number, and date of publication as an Epub, e.g., Fluoride 2024;57(1):e254. Epub 2023 Nov 18. Fluoride will continue to be available in hard copy for a subscription fee of US\$183 for 2024 and 2025 and will be printed in approximately A4 size to match the new template. The website for the 36th ISFR conference is open at <https://isfr2024.in/>. The last date for the submission of abstracts has been extended to 05 October 2024.
